## Executive Summary

In an era of rapid digital transformation, organizations require leaders who can effectively guide teams through technological change and organizational evolution. The **Digital Leadership & Change Management Excellence Program** is a 5-day executive training designed to help leaders develop the skills needed to lead digital initiatives and manage complex transformation processes. Participants will explore modern leadership strategies, digital transformation frameworks, and change management methodologies used by leading organizations worldwide. Through case studies, leadership simulations, and interactive workshops, the program demonstrates how leaders can build agile teams, foster innovation, and navigate digital disruption. By the end of the program, participants will gain the strategic insight and leadership capabilities required to successfully drive digital transformation and organizational change.

Program Element	Details

We provide flexible and premium delivery formats tailored to your strategic priorities:

- **5★ Hotel Experience:** Executive retreat setting combining strategic learning, executive networking, and high-level team in luxury venues (e.g., Amman, Dead Sea, Aqaba).
- **Traveling (Global Centers):** Delivered at world-class international locations such as London, Istanbul, Dubai, Singapore, Georgia, or select European hubs, offering premium facilities and global networking opportunities.
- **Training Institute:** Hosted at leading accredited institutes equipped with advanced learning technologies and innovation-driven environments.
- **Onsite at Your Location:** Conducted at your corporate headquarters for a fully customized, confidential, and organization-focused experience.
- **Virtual Live:** High-definition, interactive online sessions with digital collaboration tools ideal for distributed leadership teams.
- **Hybrid Model:** A strategic blend of in-person engagement and synchronized virtual participation to maximize flexibility and international reach.

# Curriculum Structure

The **Digital Leadership & Change Management Excellence Program** is structured as an intensive 5-day executive learning journey focused on developing leadership capabilities required to guide organizations through digital transformation and continuous change. Throughout the program, participants explore how digital technologies are reshaping leadership roles, decision-making processes, and organizational cultures. The program introduces modern leadership frameworks, agile management practices, and proven change management methodologies that enable organizations to adapt to rapidly evolving digital environments. Through real-world case studies, leadership exercises, and collaborative discussions, participants will learn how to inspire teams, manage resistance to change, align digital strategies with organizational goals, and build resilient organizations capable of thriving in the digital age.

## Day 1: Foundations of Digital Leadership

**Theme:** Leading in the Digital Era

Module	Key Activities
Digital Leadership Principles	Leadership roles in digital transformation
