Executive Summary

The Internal Audit & Compliance program is designed to strengthen organizational governance, risk management, and regulatory adherence through modern auditing practices. It equips professionals with the knowledge and tools to evaluate internal controls, ensure compliance, and enhance operational efficiency. The program covers international audit standards, risk-based auditing approaches, and compliance frameworks used by leading organizations. Participants will gain practical experience in audit planning, execution, and reporting, supported by digital tools and data analytics. By the end of the program, attendees will be able to deliver high-impact audits and build robust compliance systems that support transparency and accountability.
