Executive Summary

In a results-driven and rapidly changing business environment, effective performance management systems are essential for aligning individual contribution with organizational strategy. NeuroVerse globe's **Performance Management Systems Executive Program** equips HR leaders, people managers, and senior executives with modern frameworks, tools, and practices to design and manage performance systems that drive accountability, engagement, and continuous improvement. This intensive program explores contemporary performance management approaches, including goal alignment, OKRs, continuous feedback, performance analytics, and digital performance platforms. Participants will learn how to shift from traditional appraisal models to agile, data-driven systems that support employee development while delivering measurable business outcomes.

Program Element	Details
Duration	5 Days (40 Hours)
Target Audience	C-Suite Executives, Senior Leaders, Strategy Professionals
Delivery Options	5★ Hotel Traveling (Global Centers) Training Institute Onsite at Your Location Virtual Live Hybrid
Certification	yes
